REGULATIONS

The owner has no right to insist on his baggage to be carried on the same aircraft on which he travels.

- a.) For traffic within Europe, North-, Central- and South America as well as between Europe, Africa, Asia on the one hand and North-, Central- and South America on the other hand no reduction is granted and general cargo rates shall be applied.
- b.) For traffic between Europe on the one hand, and Africa, Asia and Australia on the other hand as well as within or between Africa, Asia and Australia 50% reduction on the normal cargo rate shall be granted.

1.7.: Mixed consignments.

Mixed consignment means a consignment of different commodities, articles or goods whether packed or tied together or contained in separate packages; except that a consignment consisting wholly of different commodities, articles or goods qualifying for the same rate and conditions, need not be considered to be a mixed consignment.

A mixed consignment shall not include any of the following articles, commodities or goods: gold, platinum and platinum metals; legal banknotes, securities, shares and share coupons; precious stones; live animals; human remains, whether or not cremated; newspapers and periodicals.

1.8.: Payment

Methods of Payment of Charges.

- 1.) Charges prepaid up to the airport of destination.
Charges prepaid means that all charges, such as freight charges, incidental charges at the place of departure, including transit and transshipment charges, incurred up to the airport of destination will be paid by the shipper.

2.) Charges collect.

Charges collect means that all charges will be paid by the consignee.

The following items will not be accepted on a charges collect basis, unless payment of all charges involved is guaranteed by the shipper or consignee:

- a) Shipments obviously not worth the amount of the freight charges.
- b) Samples.
- c) Perishable goods
- d) Household goods and personal effects
- e) Consignments for persons whose liberty is restricted
- f) Newspapers and printed matter
- g) Press photographs
- h) Human Remains
- i) Gift parcels
- j) Unaccompanied baggage
- k) Consignments addressed to government agencies except when shipped by government agents presenting proper credentials.

C.C. consignments for Czech Slovakia may be accepted if they are destined for the following Import and Export Companies:

Artia, Controtex, Chemapel, Farnonet, Jablonex, Moravia, Kocpol (C nitrokomise), Kove, Ligna, Metalimex, Motokov, Osnipol, Pragoexport, Skloexport (Glassexport), State Film (Filmexport), Strojexport, Technoexport, Tuzex and Shipping and International Forwarding Corporation Cechofracht.

1.2.: C.O.D.

C.O.D. (Cash on Delivery) means an arrangement between the shipper and carrier according to which the carrier has to collect from consignee the amount indicated on shippers C.O.D. on the Air Waybill.

1.17. Calculation of Freight Charges.

The calculation of Freight charges is based on the gross weight or volume and on the declared value for carriage of the consignment.

Weight Charges

Rates shown in CSA Rates and Rates Manual are for each kg. Fractions of a half kg are to be rounded to the next higher 500 grams.

Volume Charges. (low density cargo)

- a) Pieces the extreme dimensions of which average more than 9000 cubic centimetres per kilogram, shall be charged for on the basis that each 9000 cubic centimetres equal one kilogram.
- b) When carriage originates and terminates within Europe, consignments weighing less than one kg per each 7 dm³ will be charged on the basis 7dm³ = 1 kg.

In using linear measurements to obtain cubic measurement a half or larger fraction of one centimetre shall be rounded up to the next higher whole centimetre; smaller fraction shall be rounded down to the next lower whole centimetre.

Valuation Charges

- 1) The shipper must make a declaration of value for carriage in any amount, at his option; the term N.V.D. (No Value Declared) may constitute such a declaration.
- 2) For goods with shipper's declared value for carriage US\$ 10.50 per kg or less, charges for carriage shall be determined solely on the weight or volume basis of the consignment.

REGULATIONS

3) For goods having a declared value for carriage of more than US\$ 16,50 per kilogram, charges for carriage shall be determined on a weight or volume basis plus the valuation charge specified below based on the shipper's declared value for carriage.

4) The valuation charges referred to the above are as follows:

The valuation charges will be:

the following percentum of shipper's declared value per carriage.

Where the normal (under 45kgs) cargo rate is:

	less than US\$ 0,63		0.10%
US\$ 0,63 or more but less than US\$ 1,68		0.20%	
US\$ 1,68 or more but less than US\$ 2,66		0.30%	
US\$ 2,66 and over		0.40%	

The minimum valuation charges are US\$ 0,28

5) The value per kilogram shall be determined by dividing the shipper's declared value for carriage by the gross weight entered in the appropriate box on the air waybill.

Consignments with declared value are accepted for carriage on CSA lines in accordance with IATA - Resolution 503. CSA responsibility in respect of these consignments is covered by insurance with following limitations:

- a.) CKR 3,600,000.- for one aircraft for consignments with declared value containing other goods than those indicated under b) "Valuables".
- b.) CKR 7,200,000.- for one aircraft for "Valuables" which contain one or more of the following:
